To

The Secretary to the
Government of Mysore
General and Rev. Depts.

Sir,

In submitting herewith, copies of resolutions recorded at the meetings of the Municipal Board of Davangere held on 20th June 1899 and 15th August 1899, I have the honor to solicit sanction to the levy of market rent at the marginally noted rates at the spot where the weekly market is held in Davangere town, to which people

1st class	
(1) Carts coming into the Market laden with provisions	Rs as Rs 1-1-0 (per cart)
(2) Shops enclosed in tents	1-1-0 (per shop)
(3) Heaps of Rice	0-1-0 (per heap) ↓ vs [illegible] immaterial
IInd class	
(1) Horses, bullocks and asses	0-0-6 each
(2) Miscellaneous shop keepers occupying a space exceeding a yard †	0-0-6 (per shop)
(3) Kambli shops	0-0-6 (per shop)
IIIrd class	
(1) Miscellaneous shops occupying a space within one yard †	0-0-3 (per shop)
(2) Vegetable shops	0-0-3 (per shop)
(3) Head Loads of things	0-0-3 per head load

† Superintendent's discretion

people resort largely for trading purposes. The income from this source is estimated at Rs 2000/. per annum. The present revenue of the Municipality being too limited, the Board find it difficult to provide large sums for the drainage and other miscellaneous works of improvement which demand urgent attention, and for the repayment, with interest, of a moiety of a sum of Rs 20000/ advanced by government for the extension and improvement of the town. They are therefore desirous of augmenting the Municipal resources to a certain extent by the introduction of the proposed tax which seems best suited for the purpose, in place of octroi the levy of which at government rates was found to be detrimental to the trade of the place

2. I beg to add that if Government approve of the above recommendation necessary provision will be made in the current

current year's revised Budget
of this Municipality which will
shortly be submitted to Govern-
-ment for sanction.

I have the honor to be
Sir,
Your most Obedient Servant

President.
